

The Return to Joy

7 Months with Ranjana and Eddie

Ranjana and Eddie are dedicated to living and sharing a life of JOY. They know that each living being is an expression of Love seeking Truth (Bliss). If you are interested in remembering and regaining your innate joy, then this may be the perfect program for you.

Created for those of you that have been feeling lost or stuck, for e.g., if you have lost your mojo / enthusiasm, your marriage feels joyless, you are menopausal and irritable, your creativity has hit a dead end, and you wish to reclaim your power and know Peace.

Ranjana and Eddie assist impact leaders, artists, writers, actors, CEOs and creative geniuses to navigate life, to discover and trust their inner compass and know how to flow with purpose, power, prosperity and Presence. They work with men and women from all walks of life, from different parts of the world, to help them make an impact and serve humanity.

"We help you find your direction, help you unlock your ability to stay on track, draw Goodness into your life and know yourSELF." Ranjana and Eddie

Ranjana and Eddie will schedule weekly video conference calls, face to face intensives, respond to queries with WhatsApp messaging, provide you with email support, laughter, realistic encouragement, practical exercises, signposts, and help you create a flexible practice that aligns you with Love and Truth. The support, mentoring, sessions, and practical self-help you receive is custom designed with you, for you. It is an opportunity for you to engage with life, work, play, relationships, family and friends free from fear and reactivity. For those who embark on this journey, life can never be the same again.

The cost of this program is £7500 for individuals and £9900 for couples.
